WHY CHOOSE US

- **Expertise Across Industries:**

From corporate events to creative studio services, we bring unmatched experience in every sector we operate in.

- **Comprehensive Services:**

One-stop solution for events, exhibitions, branding, drone shows, and much more.

- **Custom Solutions:**

Tailored services designed to meet the unique needs of each client.

- **Cutting-Edge Technology:**

We leverage the latest tools in digital printing, drone technology, CNC works, and more.

- **Certified Quality:**

We are ISO certified, ensuring every project meets the highest standards of excellence.

ISO CERTIFIED

- **ISO 9001:** Quality management system certified for delivering high-standard services.
- **ISO 14001:** Certified for environmental management, ensuring sustainable business practices.
- **ISO 45001:** Safety and health at the core of our operations.

Why It Matters: These certifications underscore our commitment to quality, sustainability, and safety in every project we undertake.

EVENTS

At the heart of our approach lies a dedication to transforming concepts into captivating realities that resonate with audiences and leave a lasting impression.

We specialize in every aspect of the design and fabrication process, from initial ideation to meticulous execution, ensuring that each project receives the attention to detail it deserves.

EXHIBITIONS

At 11O Events, our commitment to excellence drives us to craft exhibition experiences that transcend expectations, captivating, informing, and inspiring attendees.

Our blend of expertise and creativity guarantees that your exhibition not only stands out but also accomplishes its objectives with finesse.

RETAIL & MALLS

At our core, we prioritize collaboration with our clients, seeking to deeply understand their brand essence, target demographic, and overarching business goals.

Our retail store design services are anchored in expertise and tailored to your unique needs.

ACTIVATION STAND

Our approach is centered on innovation and collaboration, as we work closely with you to understand your brand identity, goals, and target audience.

Armed with this comprehensive understanding, our experienced team of professionals sets out to design and execute activation stands that captivate attention, spark engagement, and leave a lasting impression.

AV SOLUTIONS

We are dedicated to revolutionizing your audio-visual experiences, transforming them into extraordinary encounters that captivate and inspire.

With a team of passionate audio-visual enthusiasts at the helm, we are committed to elevating your AV experiences to unprecedented heights.

WOOD WORKS

At the heart of our ethos lies a deep-seated pride in our unwavering dedication to quality craftsmanship and customer satisfaction.

We uphold this commitment by meticulously sourcing premium-grade wood and MDF materials from sustainable sources, ensuring that our creations are not only of the highest quality but also environmentally responsible.

ARTISTIC FABRICATION

Recognizing the profound impact of art in inspiring, captivating, and evoking emotions, we embrace its transformative power wholeheartedly.

Fueled by our passion for creativity and unwavering attention to detail, we proudly extend a diverse array of artistic fabrication services tailored to cater to a multitude of industries and artistic expressions.

ACRYLIC & SIGNBOARDS

At the heart of our operations, our skilled craftsmen utilize cutting-edge equipment to fabricate acrylic products to your precise specifications.

Whether you seek acrylic displays, signage, retail fixtures, protective barriers, or custom designs, rest assured, we possess the expertise to deliver unparalleled acrylic fabrication with unwavering precision and meticulous attention to detail.

STYROFOAM

At our forefront, we specialize in the fabrication and utilization of Styrofoam to cater to your distinct requirements.

Leveraging our expertise and innovative techniques, we transform this flexible material into intricate, lifelike objects that captivate the eye.

FIBERGLASS

Specializing in the fabrication and application of fiberglass, we harness the potential of this versatile and resilient material to cater to a wide array of industries.

FITOUTS & INTERIORS

At the forefront of our process lies a deep commitment to understanding our client's vision, requirements, and brand identity.

This foundational step ensures that what we deliver precisely aligns with their expectations and needs.

CONTAINER CUSTOMIZATION

We recognize and harness the versatility and potential inherent in shipping containers, leveraging their robust structure and modular nature to create unique and versatile environments.

FURNITURE & UPHOLSTERY

Look no further for exquisite custom furniture and upholstery, as we stand as your premier destination for crafting pieces of unparalleled beauty and craftsmanship.

Our specialization lies in the creation of bespoke furniture that not only mirrors your distinctive style but also enhances your space with unparalleled elegance and sophistication.

PREFAB STRUCTURES

Recognizing the critical factors of speed, cost-effectiveness, and sustainability in construction endeavors, we are committed to providing solutions that meet these essential criteria.

Our extensive range of prefab structures offers a strategic approach to construction, with components prefabricated off-site to streamline processes and deliver tangible benefits.

SPECIALIZED PAINTING

Recognizing the critical factors of speed, cost-effectiveness, and sustainability in construction endeavors, we are committed to providing solutions that meet these essential criteria.

CNC WORKS

We specialize in offering CNC services tailored specifically for wood designing, providing a versatile array of CNC designs to meet diverse project requirements.

Our CNC capabilities enable us to intricately craft a wide variety of designs, ranging from intricate patterns to custom shapes and textures, all with precision and accuracy.
